PLASTIC SOLUTIONS
FOR A SUSTAINABLE WORLD

KD PLAST

About Us

KD PLAST is a reliable and export-oriented business partner in the plastic packaging industry. We provide functional packaging solutions in bottles, jerry cans, jars, and caps for agriculture, chemicals, cleaning products, food, and industrial applications.

We aim to meet customer expectations through quality, continuity, and a professional service approach. Our product philosophy is built on reliable supply, regular quality control, efficient logistics management, and long-term cooperation.

At KD PLAST, our goal is to deliver modern and sustainable packaging solutions that inspire confidence in global markets and add value to every project for our business partners.

UN CERTIFICATE

Our plastic packaging products are manufactured in accordance with UN regulations for the transportation of hazardous goods. UN certified packaging provides safe and reliable solutions for global logistics.

**SAFE
TRANSPORTATION**

**COMPLIANT
